MEMORANDUM FOR: Mr. Robert MacOnie  
BDM Corporation

STAT  
FROM:

Vice Chairman, Intelligence Information  
Handling Committee

SUBJECT: Review of DMA Draft Statement of Work for  
Video Disc Production

1. The IHC has been requested to review and comment on the Draft Statement of Work for Contracting Video Laser Disc Production dated June 1984. You are requested to review this document and provide us with your comments before 19 June 1984 in order that we may consider any suggestions which you may have for inclusion in our comments.

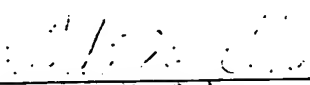

2. This is being requested under the following understandings and conditions:

a. Neither the BDM Corporation nor any of its subsidiaries will bid in the proposed contract, either as a prime contractor or as a sub-contractor in association with any other bidder.

b. The contents of the subject draft will only be revealed to you and any BDM employees from whom you require technical support for the purpose of this task.

c. You and all other agents and employees of BDM Corporation to whom the subject draft may be disclosed, either in whole or in part, will not reveal the contents thereof to any other person or party other than members of the IHC staff or government members of the IHC Subcommittee on Geographic Information Systems, until the contents have been made public by DMA.
